Vet Tech Camp

Available Weeks:
Week 2: June 14 – 19

Open to students in 8th - 12th grade
* Grade in Fall of 2020

The Veterinary Science Exploration camp activities include reading animal body language, animal behavior and nutrition, animal surgery presentation and a field trip to Animal care facility!

This hands on and lab camp will provide you with vital career information, practical skills for working with large and small animals, basic pet first aid and more.
